### *Tandem Pursuits: Armor & Ichthyology*

SEPTEMBER 15–DECEMBER 1

Our fall exhibition is inspired by Bashford Dean, resident of Wave Hill House from 1909 until his death in 1928. Dean served as both curator of arms and armor at the Metropolitan Museum of Art and curator of fish at the American Museum of Natural History. The intersection of his interest in both ichthyology and armor provides the opportunity to bring together a remarkable collection of contemporary art that explores concepts of adaptation, pattern and protection. Artists in the show include **WonJung Choi, Amisha Gadani, Frank Gehry, Carol Hepper, Camilla Huey, Simone Leigh, Michelle Jaffe, Irvin Morazan, Kymia Nawabi, James Prosek, Christy Rupp, Lytle Shaw & Jimbo Blachly, Ben Snead, Holly Sumner** and **Marina Zurkow**.

**Reception:** SUN, SEPTEMBER 15, 2-4:30PM
